

The diagram illustrates the Nakama architecture. It is contained within a light purple rounded rectangle. On the left, a yellow rounded rectangle labeled 'Dojo' contains three stacked rounded rectangles: 'Human Interface', 'ML-Agents Integration', and 'Netcode Integration'. On the right, a pink rounded rectangle labeled 'Game' contains the text 'Game-specific Implementation'. The entire structure is labeled 'Nakama' at the bottom center.

Human Interface

**ML-Agents
